-Supreme Exhibit-

Senior Bull – 3 Years and Over

Winswood Liam

DOB: 22/03/2022

Sire: Winswood Jack Dam: Boomer Creek Oriana

Exhibitor: VonGlen Ag, South Australia

Comment: This was an incredibly close decision between two outstanding animals, each excelling in their respective categories. It truly could have gone either way. However, I've selected the bull as the supreme exhibit due to his greater structural correctness in the hind legs. I believe this bull has the potential to sire high-quality progeny and make a lasting impact on the breed.
